

Please support the Veterans' Rally Point, an addition to the Lopatcong Township Veteran's Memorial. This will include a covered pavilion and a large concrete pad suitable for musical performances, speeches and other veteran and community functions.

Purchase an engraved paver brick honoring a current or former service member to show our veterans the appreciation and respect they so richly deserve.

All orders must be received by February 29, 2016. Don't forget that these engraved pavers would make a memorable holiday gift for that special service member .
